

Quick Coll is a food-grade adhesive for applications in the snack and sweets industry (e.g. spice-coated nuts). Quick Coll is a mixture of selected, natural hydrocolloids.

ADHESIVE

Norevo is an international supplier of natural raw materials and functional ingredients for the snack and sweets industry. Norevo accompanies your product development and recipe-optimization process for innovative confectionery products.

PROPERTIES

- Provides a stable coating adhesion with short drying time
- Minimises the rub-off effect and related spice loss
- Allows for a uniform distribution of particles on the product surface

- Builds up a protecting and isolating surface layer that reduces the risk of fat / moisture migration
- Gives a subtle surface shine

Halal-certified and kosher.
