

Norevo's effect coatings enable the creation of flavour or optical effects inside or on the surface of pan-coated products.

EFFECT COATINGS

Norevo is an international supplier of natural raw materials and functional ingredients for the snack and sweets industry. Norevo accompanies your product development and recipe-optimization process for innovative confectionery products.

TYPES

QUICK PEARL

Creates a pearl shine effect on the surface of sugar- or chocolate-coated dragees. Available in gold, silver, red and other colors.

QUICK SOUR

Souring agent for dragees. Provides an intense and stable sour impact around the dragee center or on its surface.

Halal-certified and kosher.
