

# SEALING AGENTS

**Norevo** is an international supplier of natural raw materials and functional ingredients for the snack and sweets industry. Norevo accompanies your product development and recipe-optimization process for innovative confectionery products.

**Quick Lac** is a universally applicable sealing agent for sugar- and chocolate-coated candies. Quick Lac is an alcohol solution based on selected shellac qualities. It protects the dragees' gloss from environmental impacts like humidity, temperature fluctuation and mechanical stress.

## PROPERTIES

- Stable glaze even under difficult storage conditions
- Protects color and surface gloss against mechanical stress

- Increases shelf-life
- Applicable on light-colored dragee surfaces

Halal-certified and kosher.
